

Cleaning

Warning: Before cleaning, disconnect from mains supply and allow luminaire to cool.

Disposal

Ensure correct disposal of this product (waste electrical and electronic equipment)

Corrosion Protection

It is important to note that care must be taken during installation or maintenance to ensure that the surface of the luminaire is not damaged. Any damage, which is exposed to moisture will result in corrosion occurring.

Please also note that any chemical applications on the luminaire or chemical contact via installation will cause corrosion of the surface of the luminaire and will void the warranty.
