Cutting Guide

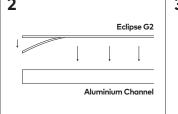

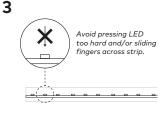

Strip Mounting

IMPORTANT: Refer to ESD Protection Section located on page 1 before mounting strip.

Recommended cleaning products: Wax and grease remover, methylated spirits, isopropyl alcohol or surface cleaners.

Parts

It is important to note that care must be taken during installation or maintenance to ensure that the surface of the luminaire is not damaged. Any damage, which is exposed to moisture will result in corrosion occurring.

Please also note that any chemical applications on the luminaire or chemical contact via installation will cause corrosion of the surface of the luminaire and will void the warranty.

Disposal

Ensure correct disposal of this product (waste electrical and electronic equipment).

Ambient Conditions

Corrosion Protection

Recommended to install in an ambient temperature <35°C.
